

Dear Parents/Carers,

ICT, including the internet, e-mail and mobile technologies, has become an important part of learning in schools. We expect all children to be safe and responsible when using any ICT.

Please read and discuss with your child the E-Safety rules overleaf and return this sheet signed by both you and your child. If you have any concerns or would like some explanation please contact your child's class teacher.

This Acceptable Use of ICT Agreement is a summary of our E-Safety Policy which is available in full, via our publications scheme, on request at the office or can be viewed on our school website.

Yours sincerely,

Hannah Maggs

Cameley Primary School Acceptable Use of ICT - Pupil

I will only use ICT in school for school purposes.

I will only use my class e-mail address or my own school e-mail address when e-mailing.

I will only open e-mail attachments from people I know, or who my teacher has approved.

I will not tell other people my ICT passwords.

I will only open/delete my own files.

I will not bring software, CDs or ICT equipment into school without permission.

I will only use the Internet after being given permission from a teacher.

I will make sure that all ICT contact with other children and adults is responsible, polite and sensible.

I will not deliberately look for, save or send anything that could be upsetting or not allowed at school.
If I accidentally find anything like this, I will close the screen and tell a teacher immediately.

I will not give out my own details such as my name, phone number or home address.

I will not use technology in school time to arrange to meet someone unless this is part of a school project approved by a teacher and a responsible adult comes with me.

I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe.

I know that the school may check my use of ICT and monitor the Internet sites I have visited, and that my parent/carer will be contacted if a member of school staff is concerned about my E-Safety.
